 Supplemental Information

 Provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs. expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information. See instructions.

Part I,Line 2-Grantmakers Explanation for Monitoring Use of Funds Outside

The organization receives written requests from the international

partners. This normally indicates the purpose for the funds which

include food, medicines, clothing, job training, bible and youth camps,

orphan care, books and other school materials, school buildings, etc.

The board reviews the funding requests against availability of funds.

The board approves the funding either as a one time amount or monthly

stipend to cover recurring expeses.

Due to the long term relationship the organization has had with some of these partners, the organization has developed an understanding of funds to send to some of the locations to sustain the programs in place. Many of these funds are recurring monthly to support ongoing programs established for many years.

Management travels to program locations every several years to see first hand how the funds have been utilized.
