#### Independent Auditors' Report

To the Board of Directors of Kids for the Kingdom, Inc. Graton, California

#### **Opinion**

We have audited the financial statements of Kids for the Kingdom, Inc. (a Delaware not-for-profit corporation), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Kids for the Kingdom, Inc. as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kids for the Kingdom, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kids for the Kingdom, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Dillwood Burkel a Millar, LLP

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kids for the Kingdom, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kids for the Kingdom, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### Note 2. Significant Accounting Policies

#### **Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets with donor restrictions – The Organization reports contributions, gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose of restrictions is accomplished, the associated net assets with donor restrictions are reclassified to net assets without donor restrictions in the Statements of Activities and Changes in Net Assets.

Net assets without donor restrictions – Net assets without donor restrictions include those revenues and expenses associated with program and supporting services which do not have donor imposed restrictions on their use.

In order to ensure observance of limitations and restrictions placed on the use of resources available to the Organization, the accompanying financial statements are presented in separate funds for operating and endowment. The restrictions on such funds are consistent with the classifications described above.

#### **Fundraising**

The Organization does not perform fundraising activities as defined under generally accepted accounting principles or Internal Revenue Service. Accordingly, no fundraising expenses are reported in the Statements of Activities and Changes in Net Assets and the Statements of Functional Expenses.

#### Note 2. Significant Accounting Policies, continued

#### Cash and Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents, except when a restriction is imposed, in which case they would be reported as restricted cash and cash equivalents on the Statements of Financial Position. Cash is held in demand accounts at banks, and cash balances may exceed the federally insured amounts during the year. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

As of December 31, 2022 and 2021, the Organization held cash and cash equivalents received from donors who placed purpose or time restrictions on their use.

#### **Investments**

Investments, which include exchange traded funds, equity securities, mutual funds, fixed income securities, and alternative investments are carried at fair value. Unrealized gains and losses are included in the Statements of Activities and Changes in Net Assets.

Realized and unrealized gains and losses are reflected as an increase or decrease in the unrestricted class of net assets, unless donors place restrictions on the manner of use of such gains and losses.

#### Fair Value Measurements

Fair value of an investment is the amount that would be received to sell the investment in an orderly transaction between market participants at the measurement date. Market price observability is impacted by a number of factors, including the type of investment and the characteristics specific to the investment. Investments with readily available active quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value. Investments measured and reported at fair value are classified and disclosed in one of the following categories:

- Level 1: Valuations based on quoted market prices in active markets for identical assets or liabilities that the Organization has the ability to access.
- Level 2: Valuations based on pricing inputs that are other than quoted prices in active markets which are either directly or indirectly observable.
- Level 3: Valuations are derived from other valuation methodologies, including pricing models, discounted cash flow models, and similar techniques.

The categorization of an investment within the hierarchy is based on the pricing transparency of the investment and does not necessarily correspond to the Organization's perceived risk of that investment.

#### Note 2. Significant Accounting Policies, continued

#### Contributions Receivable

Contributions receivable represent unconditional promises to be received in future periods and are recognized as revenue in the year the promise is made by the donor. Grants and contributions receivable in one year are stated at their net realizable amount that management expects to collect. Management uses the allowance method for recording uncollectable receivables. The amount of the allowance is determined based on past experience and periodic review of outstanding grants and pledges receivable. Management believes all outstanding balances are collectable and allowance reserve is deemed unnecessary at December 31, 2022 and 2021, respectively.

#### Property and Equipment

It is the Organization's policy to capitalize all property and equipment with an original cost of \$5,000 or more. Property and equipment are stated on the basis of cost, or in the case of donated items, on a basis of fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from five to seven years.

#### Accrued Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as liabilities of the Organization and are included in accrued expenses on the Statements of Financial Position. The employees do not have a vested right to accumulated sick leave. Sick leave benefits are recorded as expenses in the period taken and not accrued as a liability.

#### **Contributions and Support**

All unconditional contributions and grants are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as increases in net assets with donor restrictions.

Donated materials and equipment are reflected as contributions in the accompanying statements at their estimated fair value at date of receipt. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the year received.

#### Note 2. Significant Accounting Policies, continued

#### <u>Functional Expense Allocation</u>

Expenses are charged to programs and supporting services on the basis of direct expenditures incurred. Certain costs have been allocated among programs and supporting services benefited. The expenses that are allocated include payroll and payroll related expenses, employee benefits, occupancy costs, communications, office supplies and expenses. The allocation is based upon estimates and assumptions made by management which consider employee time spent on various functions, and square footage of occupied space. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

#### **Income Taxes**

The Organization is a not-for-profit organization and is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and California Revenue and Taxation Code Section 23701(d). However, the Organization is subject to income taxes on any net income that is derived from a trade or business, regularly carried on, and not in furtherance of the purposes for which it was granted exemption, commonly referred to as unrelated business income. For the years ended December 31, 2022 and 2021, the Organization did not generate such income. Accordingly, no provision has been made for income taxes in the Statements of Activities and Changes in Net Assets.

The Organization determines whether its tax positions are "more-likely-than-not" to be sustained upon examination by the applicable taxing authority based on the technical merits of the positions. As of December 31, 2022, the Organization has reviewed its tax positions and has concluded no reserve for uncertain tax positions is required. The Organization's exempt organization information returns are subject to review through three years after the date of filing for federal and four years after the date of filing for California.

#### **Endowment Funds**

The Organization's endowment consists of donor restricted funds whose purpose is to provide support in meeting the operating and program needs of the Organization. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor imposed restrictions.

Notes to Financial Statements For the Years Ended December 31, 2022 and 2021

#### Note 2. Significant Accounting Policies, continued

#### Endowment Funds, continued

The Board of Directors of the Organization has interpreted the California Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor restricted endowment fund amounts not in the above description, may be appropriated for expenditure by the organization in a manner consistent with the standard prudence prescribed by the State of California in its enacted version of UPMIFA.

Spending policy – In accordance with UPMIFA, the Board of Directors adopted a spending policy to appropriate for distribution each year up to 4% of the endowment fund's average fair value based on a 12-quarter rolling average. During the year ended December 31, 2022 and 2021, the Board of Directors appropriated and transferred to operating fund \$2,105,162 and \$1,985,925 of the endowment balance for spending, respectively.

Investment policy — The endowment assets are invested according to the Organization's investment policy, which is designed to preserve principal while earning returns relative to the overall market consistent with a prudent level of risk. Under this policy, the endowment assets are invested in a manner that is intended to produce results that exceed the spending rate, plus aggregated cost of portfolio management plus market fluctuations. To satisfy its long-term rate of return objectives, the Organization relies on a total-return strategy in which returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on capital appreciation

Funds with deficiencies – From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. Net unrealized losses on permanently restricted endowment funds are classified as a reduction to unrestricted net assets until such time as the fair value equals or exceeds book value.

The fair value of the permanently restricted endowment fund, which is required to be maintained in perpetuity, had no deficiency as of December 31, 2022 and 2021, respectively.

#### Note 2. Significant Accounting Policies, continued

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions based on management's knowledge and experience. Those estimates affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenue, support and expenses. The use of management's estimates primarily relates to the collectability of grants and contributions receivable, fair market value of alternative investments, and depreciable lives of property and improvements. Actual results could differ from those estimates.

#### Accounting Pronouncements Adopted

In September 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standard Update (ASU) No. 2020-07, *Not-for-Profit Entities (Topic 958), Presentation and Disclosures by Not-for Profit Entities for Contributed Nonfinancial Assets* ("ASU 2020-07"), to increase transparency and comparability among organizations by requiring contributed nonfinancial assets to be presented as a separate line item in the Statements of Activities and Changes in Net Assets, and additional disclosures. The Organization adopted the ASU effective January 1, 2022. The adoption of ASU No. 2020-07 had no effect on previously stated net assets balances.

#### **Reclassifications**

Certain reclassifications have been made to the prior year's financial statements to conform to the current year presentation. The reclassifications had no effect on previously reported results of operations or net asset balances.

Notes to Financial Statements For the Years Ended December 31, 2022 and 2021

#### Note 3. Liquidity and Availability of Financial Assets

The following reflects the Organization's financial assets reduced by amounts not available for general use because of contractual, donor imposed or board designated restrictions within one year of the balance sheet date, as of December 31:

	2022	2021	
Cash and cash equivalents	\$ 160,445	\$ 261,910	
Restricted cash and equivalents	520,294	457,807	
Accounts receivable	6,875	9,218	
Investments	53,605,591	65,212,525	
Total financial assets, at year end	54,293,205	65,941,460	
Less those unavailable for general expenditures within one year, due to:			
Donor restricted funds	(211,290)	(243,701)	
Endowment and designated assets	(53,535,236)	(65,009,768)	
Financial assets available to meet cash needs for			
general expenditures within one year	\$ 546,679	\$ 687,991	

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations become due.

#### Note 4. Investments

Investments stated at fair value, as of December 31, include:

	2022								
	Fair Market					Fa	ir Market

Notes to Financial Statements For the Years Ended December 31, 2022 and 2021

#### Note 4. Investments, continued

Investment returns are comprised of the following for the years ended December 31:

	2022	2021
Dividends and interest	\$ 228,201	\$ 288,600
Realized gain	2,242,221	2,563,873
Unrealized gain (losses)	(11,597,533)	3,878,485
Investment fees	(337,461)	(362,750)
Investment income (loss), net	\$ (9,464,572)	\$ 6,368,208

As described above, the Organization invests in various investment securities. Investment securities are exposed to interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the fair value of the investment balance.

#### **Note 5.** Fair Value Measurement

Investments stated at fair value as of December 31, 2022 include the following:

Notes to Financial Statements For the Years Ended December 31, 2022 and 2021

#### Note 5. Fair Value Measurement, continued

The value of most of the alternative investments is determined based on quotes in active markets on a monthly basis. For more illiquid securities that are not traded as actively, the value is determined by a third-party administrator on a monthly basis based on pricing inputs that are either directly or indirectly observable. The alternative investments have tiered liquidity ranges from monthly with written notice 10 days in advance, to no liquidity available with payouts of income and distributions over time.

The following is a reconciliation of the opening and closing balances for assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) for the year ended December 31, 2022:

	Partnerships/	Collective	Total
	Joint	Investment	Level 3
	Ventures	Funds	Investments
Opening balance	\$ 19,085,389	\$ 37,398,142	\$ 56,483,531

Less: accumulated depreciation		(14,557)		(12,478)
	\$	26,199	\$	15,943

Depreciation expense totaled \$2,079 and \$1,497 for the years ended December 31, 2022 and 2021, respectively.

#### Note 7. Accrued Expenses

Accrued expenses consist of the following at December 31:

	 2022	 2021
Vacation Salaries and wages	\$ 28,265 15,339	\$ 18,232 13,899
Total accrued expenses	\$ 43,604	\$ 32,131

#### Note 8. Government Forgivable Loan and Grant revenue

In April 2020, the Organization applied for and received a Paycheck Protection Program ("PPP") loan in the amount of \$43,831 through the Small Business Administration in relation to the coronavirus pandemic. The loan bears annual interest of 1% and matures 2 years from issuance with payments deferred for the first 10 months. The loan is a forgivable loan if certain criteria are met.

In August 2021, the loan was forgiven in full. The Organization reported the loan amount of \$43,831 and the accrued interest of \$258 as government grants on the Statements of Activities and Changes in Net Assets for the year ended December 31, 2021.

Notes to Financial Statements For the Years Ended December 31, 2022 and 2021

#### **Note 9. Net Assets with Donor Restrictions**

#### Net Assets with Temporary Donor Restrictions

Net assets with temporary donor restrictions are restricted for specific programmatic purposes or until specific events occur. Net assets are released from restrictions when expenses are incurred or specific events occur. Net assets released from restrictions amounted to \$192,403 and \$244,457 for the years ended December 31, 2022 and 2021, respectively.

Net assets with temporary donor restrictions consisted of contributions to be used for various relief programs around the world totaling \$211,290 and \$243,701 as of December 31, 2022 and 2021, respectively.

Net assets with temporary donor restrictions are included on the Statements of Financial Position as restricted cash and cash equivalents for the years ending December 31, 2022 and 2021.

#### Net Assets with Permanent Donor Restrictions

Net assets with permanent donor restrictions consist of endowment funds permanently restricted by donors. Permanently restricted net assets totaled \$53,012,916 and are included as Investments on the Statements of Financial Position for both the years ending December 31, 2022 and 2021.

#### Note 10. Endowment Fund

The composition and activities of the Organization's endowment fund as of and for the year ended December 31, 2022 are as follows:

	Without	With	Total
	Donor	Permanent	Endowment
	Restrictions	Restrictions	Funds
Beginning balance	\$ 11,996,852	\$ 53,012,916	\$ 65,009,768
Interest and dividends	225,906	-	225,906

Transfers to operating funds	(1,985,925)		(1,985,925)
Ending balance	\$ 11,996,852	\$ 53,012,916	\$ 65,009,768

#### Note 11. Pension Plan

Effective January 1, 2020, the Organization started offering a 403b retirement plan to its employees. All employees are eligible to participate in the retirement plan upon hire and the Organization provides a contribution to each employee's account in an amount equal to 6% of their annual compensation. In addition, the Organization's board votes on an annual basis to fund an additional contribution via a profit sharing plan to eligible employees. Employees must have worked 1,000 hours to become eligible and the amount of contribution is weighted amongst all qualifying employees based on their salaries. The Organization's contributions to the employees' retirement plans totaled \$29,648 and \$24,464 for the years ended December 31, 2022 and 2021, respectively.

#### Note 12. Concentrations of Credit Risk

Financial instruments which potentially subject the Organization to concentrations of credit risk include cash deposits and investments maintained in excess of Federal Deposit Insurance Corporation ("FDIC") and Securities Investor Protection Corporation ("SIPC") limits throughout the year. At December 31, 2022 and 2021, the Organization held deposits of approximately \$257,000 and \$8,000 in excess of the insurance limit, respectively.

#### **Note 13. Related Party Transactions**

The Organization rents office space from an entity where a board member is an owner. The lease agreement was approved by the board. It is on a month-to-month basis and requires monthly rent of \$1,325. The Organization paid \$14,400 in rent during both the years ended December 31, 2022 and 2021.

Notes to Financial Statements For the Years Ended December 31, 2022 and 2021

#### **Note 14. Subsequent Events**

The Organization evaluated subsequent events from January 1, 2023 through June 21, 2023, the date at which the financial statements were available to be issued, and determined that there are no material subsequent events that required recognition or additional disclosure in these financial statements.
