Part I, Line 2-Grantmakers Explanation for Monitoring Use of Funds Outside

The organization receives written requests from the international partners. This normally indicates the purpose for the funds which include food, medicines, clothing, job training, bible and youth camps, orphan care, books and other school materials, school buildings, etc. The board reviews the funding requests against availability of funds. The board approves the funding either as a one time amount or monthly stipend to cover recurring expenses.

Due to the long term relationship the organization has had with some of these partners, the organization has developed an understanding of funds to send to some of the locations to sustain the programs in place. Many of these funds are recurring monthly to support ongoing programs established for many years.

Management travels to program locations every several years to see first hand how the funds have been utilized.
